Dear Sir or Madam,

Regarding docket # 98N-1038; I strongly object to the proposed plan to alter or eliminate the labeling of irradiated foods. I want all irradiated foods to be clearly labeled using the word "irradiate" and the radura symbol. I demand that the FDA put the concerns of consumers and taxpayers like me ahead of the concerns of food processors. I insist that I maintain my ability to choose whether or not to consume irradiated foods.

Sincerely,

Margaret C. Pierce
